I'm an Aspiring
AI/ML Engineer

"Dreaming in Algorithms, Learning Step by Step."

As a beginner in my AI/ML journey, I believe in learning through practice and curiosity. I enjoy experimenting with new technologies, understanding how models work and improving step by step. With time, skills and dedicated effort, I aim to become a strong AI Engineer capable of solving meaningful problems.

DOWNLOAD CV

About Me

Hello! I'm **Chirag Gupta**,

a first-year CSE (AI/ML) undergraduate at **KIET Group of Institutions**.

I'm deeply passionate about **Artificial Intelligence**, **Machine Learning** and **Automation**— fascinated by how technology learns, decides & evolves. Currently, I'm building strong foundations in **Python, DSA, ML fundamentals** and real-world problem solving.

My goal is to grow into a skilled AI engineer capable of developing systems that create impact, optimize workflows, and make technology more human-centric. I believe in learning by doing — building projects, exploring research and improving every day.

My Skills

C Programming	C++(Learning Phase)	Python
HTML	CSS	JavaScript (Learning Phase)
n8n.io(Learning Phase)	Numpy	SQL

My Projects
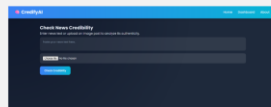

Vision Art Gallery

It showcases some of the most famous artworks in history and provides visitors with detailed descriptions and links to learn more.
